Credits and grading system	In the Spanish university system, each course unit is graded on a scale from 0 to 10 points, and each numerical grade corresponds to a qualitative grade as follows: <i>Suspense</i> (Fail): 0- 4.9 – <i>Aprobado</i> (Pass): 5- 6.9 – <i>Notable</i> (Good): 7- 8.9 – <i>Sobresaliente</i> (Very Good): 9- 10 – <i>Matrícula de Honor</i> . A special mention for outstanding performance, limited to a maximum of 5% of students registered in a given course unit group. When a student does not take the corresponding examination or final assessment, this is reflected as <i>No Presentado</i> (Absent). To pass a course unit, a student must receive a grade of at least 5 points out of 10. Statistical distribution of grades according to the descriptions in the ECTS users' guide will be available at: <a href="http://internacional.ugr.es/pages/conversion-calificaciones/conversion-de-calificaciones">http://internacional.ugr.es/pages/conversion-calificaciones/conversion-de-calificaciones</a> . For mobility in which statistical distribution of grades is not available, the University of Granada will apply the conversion table available at: <a href="http://internacional.ugr.es/pages/conversion-calificaciones/conversion-de-calificaciones">http://internacional.ugr.es/pages/conversion-calificaciones/conversion-de-calificaciones</a>
