Description
LAPAS is national network of NGOs. LAPAS works in fields of development cooperation, global citizenship education, sustainable development, resilience, humanitarian aid. Our main functions are advocacy, communication - including campaigns, research and events. We are secretariat for the National Multistakeholders Coalition on SDGs. We are active in European and global networks.

Who are we looking for?
We are looking for the student who is responsible team member with initiative. As small organisation we value each person. We work through diverse topics - international tax, social justice, human rights, migration and others so each year we have different focus. It also can be adapted to the interests of student.

What can you do with us?
Student is full member with separate responsibilities that are agreed. The results must be achieved within the internship, for example, research, organisation of event, planning of campaign, gathering stories etc. Activities depend on what projects are implemented and are agreed with the student. Also it is expected that student attends local and national events to gain experience of NGO work in all areas.
