What can you do with us?

We are a team of Italian people and we have three main fields of interest. The third one is the German language school (for adults). School's name is Berlino Schule.

In this context we offer two different types of internships. The first is in the school office. Also in this case at least a B2 of Italian is required. The second is in teaching German to adults. In this case it is also okay not to speak Italian, but a C1 level of German is required
