Students are expected to take a minimum of 24 ECTS per semester. A maximum of 36 ECTS per semester is allowed but not recommended since this is a very high workload for 16 weeks.

Students are expected to have an appropriate background in the field they choose. Most of the English taught courses are year 3 courses (final bachelor year); next to these courses there are some courses on a more introductory level as they serve as starting course in one of the minors. Next to these courses, students can take Bachelor's courses from the *Exchange Programme - Humanities*, with whom the Faculty of Social and Behavioural Sciences collaborates. However Social Sciences students will have second priority in these courses so participation cannot be guaranteed
