| Language Courses | The University of Münster offers Intensive German Language Courses for its exchange students at the beginning of each semester and a large variety of German language courses during the semester. Further information and application forms for the „ Intensive German Language Course “ will be sent to all incoming exchange students via email. For general information: www.uni-muenster.de/Sprachenzentrum/en/index.html |

| Student housing | The University of Münster is not a campus university and does not offer accommodation to students. The housing situation in Münster is very tense and students should search for housing right after their nomination. Exchange students can apply for a room with the “ Studierendenwerk ”, a public provider that offers rooms for students only. Information can be found here: www.uni-muenster.de/studieninteressierte/en/austausch/wohnen.html |
| Individual room offers by ERASMUS outgoing students | Please note that the Exchange Student Service collects housing offers from outgoing students who would like to sublet their rooms during their study abroad period. These offers are mostly rooms in shared flats together with other students and vary in terms of costs and location. If you are interested in one of the offers, please contact the students directly. |
