Description
Confindustria Romania è l'associazione a servizio degli imprenditori italiani in Romania. Nasce nel 2011, ma opera in Romania come Patronato riconosciuto dal Governo già dal 2005 come "Unimpresa Romania" (attiva in Romania dal 2003), sostenendo e difendendo gli interessi del tessuto imprenditoriale italiano attivo in Romania.

Who are we looking for?
studenti nell'ultimo anno di studio,interessati all'apprendimento

What can you do with us?
The trainee will act a marketing and business development role for the Confindustria Commercial action toward Italian companies in Romania. He will follow duties as researcher, Back office tasks, Assistant

Manager, Translator for Italian clients, and Writer of sector studies on economical target issues on Romania.

After the first phase of the stage, the candidate will receive an education on EU financing in Romania and

on international cooperation programs.

Tasks of the trainee:

The trainee will be part of the staff of the Department of Internationalization and will work together with

the General Manager, Rocco Ferri, providing consultancy services to Confindustria clients. It is planned the

active role of the trainee on market researches, in organizing economical missions and commercial events, in writing business information services related to structural funds and business opportunities in Romania.
